Dear Mrs. Vermes

Removal from special measures

I am writing to congratulate you and your school team on your recent inspection outcome. As a result of the hard work and commitment of many people, the school has improved considerably since the previous inspection in November 2015.

I am very pleased to note that the leadership and management of the school are judged to be good and that safeguarding is now effective. I am delighted that pupils' personal development, behaviour and welfare are good. Rose Hill Primary School is now a welcoming and inclusive school with high aspirations for pupils. I am particularly pleased to read about the good provision in the early years. You are improving teaching and pupils' outcomes. However, you will want to improve the quality of teaching further so that all pupils' achievement is good.

I hope that you are all celebrating the improvements you have made. I am sure that you agree that the progress made by you and your team will benefit every pupil at the school.

I wish you every success in your continuing drive for further improvement in the months and years ahead.

Yours sincerely

Amanda Spielman
