

Rose Hill Primary School

Where Children Flourish

Part of the

25th March 2020

Dear parents and carers,

We are sorry to say that we have reached the very difficult decision today in that we need to close school entirely for about two weeks after tomorrow. We are remaining open tomorrow (Thursday 26th March 2020) in order to make sure we can find spaces at other schools for the remaining keyworker children we have been caring for, and to make provision in a different way for children entitled to free school meals (more about this in the morning).

We have been strongly advised to take this step by the DFE and Public Health England, and we are very sorry to be doing it. This is because of the level of staffing being very low as a result directly or indirectly of the coronavirus.

The good news is that in two weeks or so, we should have a recovered and healthy staff team large enough to reopen and to offer places to extra children who need them.

Thank you for all your understanding and support and resilience over the last few taxing weeks- we'll keep in touch by parentmail, email and phone. Please also remember to check facebook and the website as well. Please keep yourselves well!

Best wishes,

Sue Vermes
